Thank you so much for your patience and understanding as we continue to navigate these crazy times we are STILL living in. The children have been pretty amazing through it all. Never in our wildest dreams would we have thought we would be teaching preschool in n95 masks, surgical masks and face shields to children wearing masks and face shields! We appreciate your understanding and we are hopeful things change this year! Please continue to wear face masks and remain 6 ft from the doorway when dropping off and picking up. Children must remain home if they are experiencing any Covid symptoms and they cannot return until symptoms are gone and have had a negative Covid test.

Thank you for sharing your most precious possessions with us! We are truly blessed to be able to work with such amazing and supportive families. We wish you all a safe and happy new year!

Warmly, Ms. Kim, Ms. Hannah, Ms. Jayde and Ms. Amy!!! Please join me in WELCOMING MS. AMY!!! She starts on Monday, January 3rd 😊
