

Clover Preschool News

June 2022

This Month: Wow! I can't believe our school year is coming to an end! Another year that has definitely been one to remember! Despite all the challenges and changes, we managed to make it through once again! We will be wrapping up the school year with parent teacher conferences during the week of June 6-10. These conferences will be outdoors. If weather prevents us from being outdoors, we will have to schedule your conference through ZOOM as Clover is experiencing another Covid-19 outbreak at this time. Our Grand-friend visits have been suspended until further notice once again. We have some outdoor activities planned during the month of June, we will just have to wait and see if those visits are able to happen. We have not done any in-person inside visits since our Spring Bonnet Parade. 😞

Housekeeping Items: Sunscreen season! Please be sure to put sunscreen on your child before school. We will leave a bucket of sunscreen out by the door in case you forget. Thank you!

*Preschool door will remain locked. Please knock when you get here, and we will greet you. We are sad that we can't keep it unlocked however in light of what is going on in the world, we feel it is best to keep it locked at all times. 😞

*We are full this summer and fall. If you wish to change your child's schedule, please let Kim know asap.

*Please change out your child's extra clothes so that they are appropriate to the season.

We are SUPER EXCITED about our new outdoor play structure! HUGE thank you to the maintenance department for this! They worked very hard to get it up! Children have been given one rule regarding the structure, Be Safe. If we feel they are not being safe, they will not be allowed on the play structure for a bit. More specifics will be posted by the structure. We ask that families enforce these rules as well. We don't want anyone getting hurt. Thank you!

Friday, June 24th Last day of School Year Program; End of the Year Celebration will be held outdoors out back. Children will be under the white tent. Families may sit/stand around the tent to view our ceremony. We have 8 friends going to kindergarten in the fall! We will begin at 4pm and preschool will close following the ceremony. Parking will be in the large lot as you enter the back entrance. We will be watching the weather carefully, if it looks like rain, we will schedule our ceremony for another afternoon earlier in the week.

Clover Preschool will be closed for summer vacation June 27th-July 4th. Our summer program will begin on Tuesday, July 5th.

June Early Closing, Wednesday, June 1st at 4pm.

Our Summer program will end on Friday, August 26th. This will be the last day for children leaving for kindergarten. Our Fall school year program will begin on Monday, August 29th.

Thank you for sharing your most precious possessions with us!

Warmly, Ms. Kim, Ms. Hannah, Ms. Amy, Ms. Tammy and Ms. Asia

Please welcome our newest member Ms. Asia! She will be substitute teaching this summer and part time this fall while Ms. Hannah pursues her Masters degree!!!!
